Road & Bridge

Road & Bridge Supervisor Thayne Bush provided an update on the intersection of Newbury Road and First Street in Paxico; based on the engineers' recommendation the stop signs and no parking signs have been installed. The City of Paxico will coordinate the parking paint striping and the stop bar at the stop sign as traffic approaches from the west.

The City of Paxico is working on a grant application to develop plans for improved pedestrian traffic and increased safety in the roadways. The RAISE Grant was not successful again this year. Senator Moran's Office is assisting with the search for other funding sources. State Cost-Share Grants have published their Notice of Funding, Bush is working on determining which projects best fit that application.
