

## REQUEST AND PETITION

Comes now the \_\_\_\_\_ of

Date \_\_\_\_\_, 20\_\_.

Before the Board of County Commissioners of Wabaunsee County, Kansas, asking for permission to lay a \_\_\_\_\_ over and across or along the Wabaunsee County roads as indicated on the herein attached map. Said Petitioner agrees that said line will be constructed and maintained according to the following:

1. All petitions shall have signed agreements with the affected township boards attached.
2. All work shall be done in a workman like manner and the right of way left in a condition satisfactory to the county engineer or township representative, and maintained to their satisfaction for a period of one year.
3. The utility will hold the County harmless from any damage claims that might arise from said buried construction or maintenance thereof.
4. The county will assume no responsibility for damage to underground utilities occasion by County construction or maintenance operations.
5. The utility shall install and maintain visible markers near the right of way fences, near culverts and bridges warning of the existence of buried utilities. Markers shall also be provided where the utility crosses fence lines.
6. The utility shall provide maps showing all "as-built" locations and shall be listed with Dig Safe.
7. All road crossings shall be bored unless trenching is specifically approved by the County Engineer or township representative.
8. All buried utilities shall have a minimum depth of 36" unless specifically approved by the County Engineer or township representative.
9. The County shall be reimbursed for expenses incurred to locate buried utilities.
10. The Utility will, upon request of the County, locate, remove or adjust buried utilities to Accommodate the improvements to the roadway at no cost to the county.
